

Select Region Failure. Disconnection Error on Region Selection

Printed from Asana

- ☐ Select Region Failure. Disconnection Error on Region Selection
Build v1.3

Environment

Windows 10 Pro N Version 1909

STR

1. Double click on the 'BattleOfTheWildWest.exe' icon to launch the game.
2. Once the game loads click the 'Select Region' Button in the submenu on the left.
3. In the appeared 'ServerRegionSelection' menu select any region and click the 'Select' Button on the right of the region.

Expected result: A message confirming that the region has been selected appears.

Actual Result: An error message appears.
